1. About Dongseo University

Dongseo University was founded on the Christian tenets of Love to God and Love to the Neighbor.

Dongseo has become a hub university in Asia with a global network of over 100 international sister schools and industry affiliates.

Offering innovative education is a key focus of Dongseo University. Students give back to local and international communities through outreach programs.

Dongseo University is first in its region and top nationally in career placement.

2. The Graduate School of Dongseo

The Graduate School of Dongseo University was established in 1995 in the spirit of Christianity, with a focus on researching advanced theories and teaching practical skills. The Graduate School began with just a single major, Electronic Engineering, but since it has expanded to currently include 16 master's programs and 3 doctoral programs.

Our graduate school has been recognized as one of the most competitive departments in the world. The research conducted by our students to be leaders in their fields through combining high quality research and academic industrial cooperation.

We invite you to join with us to explore the exciting study opportunities available at Dongseo University.

3. Specialized Majors

Visual Contents

As the industry becomes more information based, demand for experts in the field is still continuing to grow. The Graduate School of Visual Contents at Dongseo University meets the coming demand by nurturing creative, highly skilled human resources to lead the visual industry sector.

Visual Contents includes areas such as video games, animations, special effects, marketing/promotion, etc. Students previously majoring in engineering will be able to gain artistic sensitivity, and students previously majoring in art will be able to gain skill in engineering.

The Graduate School of Visual Contents offers an interdisciplinary program that helps students develop their understanding of fundamental technologies and theories needed for working within related industry fields, teaching at universities or developing new ideas at research institutes.

Ubiquitous IT

Rapid developments in computing fields and IT along with ready access to broadband and high speed communication services have made ubiquitous IT a key component of our information oriented society. This new paradigm of digital interaction creates countless possibilities for innovation and

3. Campus Guide_Major Facilities

■ Dormitories

- Five general dormitory buildings (main corridor, shared shower and toilets)
- One studio-type dormitory building (room with individual shower and toilet)
- One apartment-type dormitory building (3 to 4 rooms for 2 to 3 persons per unit)
- One English-only Dormitory building (same as apartment-type dorms, English spoken) Approximately 70% of all students live in our dormitories.

■ Cafeterias

Three cafeterias are available on KOREATECH campus (Student Cafeteria, Snack Bar, Faculty Cafeteria) and the price of the meals range between 2,500~4,000 won depending on menu item/cafeateria.

■ Sports Facilities

Sports facilities on campus include outdoor and indoor gymnasium squash rooms, fitness center, table-tennis rooms, among others

■ Convenience Facilities

KOREATECH convenience facilities on campus include banks, kiosks, coffee shops, optician, bookstore, hair salon, public health center, among others.

■ Library

The Dasan Information Center of KOREATECH which takes its theme from Dasan, Jeong Yak-yong one of the greatest Realist Confucianism scholars of the Chosun period, is a cutting-edge facility with 250,000 books. The library has a special hall for various books on vocational training and specialty publications.

4. Campus Guide_Life on Campus

■ Student ID Card

In general, all international students are required to carry with them at all time an alien registration card registered at the Immigration Office according to the Immigration Act. On campus, international students will be issued student ID cards that are used to enter dormitories and classrooms, kiosks, coffee shops, campus bus, borrowing books and used as debit cards, among others.

■ Student Clubs

Some 60 students clubs are available on campus, covering various sports, leisure, culture and arts, religious and volunteer services, as well as various academic fields. The clubs are also open to international students.

■ Major Events on Campus

Exciting activities take place on campus including the Hanmaek Festival, a cultural festival organized by the Student Union and Student Clubs in May every year, an academic festival held in October. During the academic festival period, graduates display their year-long work in an exhibition. Furthermore, various events take place around the dormitories, such as the festival at Resident Student Night organized by the individual dormitory councils, and various sports games and competitions led by Student clubs take place on the campus that add to the dynamic spirit on campus.

1. Campus Guide (Resident Hall, etc.)

Introduction of Kyungso University

In 1955, Kyungso University is established by the Reverend Dr. Kim Gil-Chang, a pioneer of Christianity in Korea. the university has 9 undergraduate colleges (Liberal Arts, Law and Politics, Commerce and Economics, Science, Engineering, Pharmacy, Arts, Theology, and Multimedia) encompassing 5 different faculties and 50 departments. 1 faculty and 10 departments offer classes through the Evening College. In 2004, the Ministry of Education & Human Resources set our school's maximum enrollment for freshmen at 3,120 students. There are 7 graduate schools (General, International Management, Multimedia, Education, Social Welfare, Clinical Pharmacy, and Digital Design). 9 affiliated organizations and seven affiliated research institutes have been established to aid teaching and research. Kyungso University's 700 employees and over 13,000 students are all working together to achieve the school's educational goals.

Introduction of Busan

Kyungso University is located in Busan, the 2nd largest city in Korea. Busan is a beautiful coastal city with two of the most famous beaches in Korea, Haeundae Beach and Gwangalli Beach. Kyungso University is located in

center of Busan and Busan is the first port city which Busan International Film Festival (BIFF), Busan Sea Festival, Busan Fireworks Festival, Busan International Rock Festival, Busan Biennale, The New Year Festival and various festivals are held every year.

- Attractions in Busan : Busan is usually called 'Marine City' by many people. There are many famous beaches, such as Haeundae, Gwangalli, Songjung Beach, Songdo Beach, and Dadaepo Beach. Busan is the city of mountains as it is named. Most of the mountains are at an elevation of about 500 meters which is not very high, nor low. There are well-known mountains such as Geumjeongsan Mt., Jangsan Mt., Baegyangsan Mt., Hwangnyeongsan Mt., and Seonghaksan Mt. Famous parks in Busan are APEC Nuri Park, Children's Grand Park, Youngdusan Park, Geumgang Park, Amnam Park, and Samnak Riverside Park. Cultural Centers of Busan are Busan Cultural Center, The National Center for Korean Traditional Performing Arts in Busan, Busan Museum of Art, Geumjeong Cultural Center, Haeundae Cultural Center

Dormitory(Nuri Dormitory)

The Nuri Student Living House, Kyungsung University's dormitory, was built to attract excellent students who are from the suburbs and to correspond with the new image of the university of a high-quality institution. The 15-story Nuri Student Living House can accommodate around 660 students in 330 rooms. Each room can accommodate two students and is designed with a deluxe bathroom, HVAC and refrigerator so that students can enjoy the most pleasant and comfortable campus life. As subsidiary facilities, there are a fitness center, a table tennis room, laundry rooms for men and women, dining room holding up to 400 people, a convenient store, a post office, a student lounge, an internet cafe, a party room, a students' autonomy office, a language lecture room, a conference room and an assembly hall. Besides, rest rooms, meditation rooms and reading rooms are provided on every third floor respectively.

Sports Center

Our university operates a sport center in campus to lead more balanced student life to be healthy and happy. The sport center is equipped with a variety of exercise equipments for both aerobic exercise and work with weights and it has indoor swimming pools that have no chemical smell by setting up ozone filtering systems, water softeners, and facilities for blocking ultraviolet rays. Also in the sport center, there are a fitness center having a wide space for stretching, Squash Court fitted out with wooden floors and safety glasses and Aerobics room equipping with optimal surround sound systems and wooden floors.

Welfare Facilities For Students

Kyungsung University's student welfare facilities consist of student convenience facilities and general campus facilities. Student convenience facilities include the departmental meeting rooms, men's and women's lounge areas in each college, club meeting rooms, and student council offices. Campus facilities include student and faculty cafeterias, snack bar, general store, barbershop, beauty parlor, copy center, photo shop, optical center, computer store, travel agency, coffee shop, bank, and post office.

● Cultural Life on Campus

Throughout the years many kinds of academic and artistic festivals are held to enhance school spirit and to further the ideals of the university. The Daedong Festival is held each year around May 30, the anniversary of the founding of Kyungsung University. Each department also holds its own "Fall Festival" during the fall semester. Various volunteer service activities are carried out by student groups including volunteer agricultural service three times every year during the spring, summer, and fall.

V. Application Procedure

Admission decisions are based on the candidate's academic achievements and potential, as well as his or her personal accomplishments.

The admissions committee reviews a number of factors including records of past studies (such as GPA), study plan, personal statement, and letters of recommendation. Other records of achievement and specific qualifications such as language proficiency are also taken into consideration. Candidate's application is reviewed in the context of the level of studies completed, quality of achievement and characteristics of institutions attended. Finally, the appropriateness of the applicant's academic goals and suitability of preparation for the proposed program of studies are assessed.

Interviews, examinations, and/or additional documents may be required from the applicant, based on the policy of the particular college or department. Applicants will be notified via individual email should an interview or a separate exam be necessary.

VI. Campus Life

1. Housing

- Housing on campus, composed of 2,600 units in 28 buildings, can accommodate up to 4,500 students.

2. Library

- Seoul National University's Central Library has been improved since it was built in 1946. It is well equipped with modern facilities and a wide range of resources. As well as the Central Library, students can access other individual libraries located at and operated by corresponding colleges.

3. Club Membership

- There are more than 100 different clubs registered and actively running, covering various areas of interests including sports, culture, performing arts, academic fields, religion and etc.

4. SISA(SNU International Student Association)/IGSA(Int'l Graduate Student Association)

- A community organized for international students

5. Academic Support

- To support international students, there are a number of programs offered: Korean language/culture classes, courses taught in English, classes available online, workshop/tutoring sessions for thesis writing and counseling programs for study and research.

6. Supporting other things

- As well as the academic support, International Office provides other supports

and services to make students' life easier and more convenient. Career Development Center offers career counseling and job consulting. Moreover, students can be benefited from mentor-mentee program, SNU buddy program, counseling program and culture programs as well as easy access to various restaurants, cafeteria, and medical services.

VII. Important Notes

1. Those who attended or graduated from a University in Korea for their undergraduate/graduate studies(including exchange student) are not eligible to apply.
2. Applicant may apply through only a single recommending institution, which includes diplomatic office, university, adoption organization. If applicant applies via more than one recommending institution, (i.e. two different universities or from a university and from diplomatic office) he/she will be eliminated from the selection list.
3. Documents submitted to the recommending institution for the application process will not be returned.
4. If the information submitted in the application package is unclear or if any part of application material is missing, his/her application will not be subject to evaluation. If such issues are found after the admission has been offered, the admission will be rescinded.
5. Personal Medical Assessment cannot contain any false information. If any conditions which can affect long term international study are found during the health examination conducted after the offered admission, the admission decision will be rescinded.
6. Submit 1~2 copies of the dissertation/thesis for the record of the same
7. For record of awards, submit photocopies of the awards notarized/certified by the issuing institution.
8. Once the applicant is offered admission, he/she cannot change the school or desired program of their choice.
9. All submitted documents must be originals. If the document is not drafted in Korean or English, it must be accompanied by a certified Korean or English translation.
10. If submitting a photocopy of the required document, applicant must obtain a form of certification/notary from the issuing institution confirming the validity of the copy as being the same as the original.
11. Specific information regarding the grades/points awarded or recommendation rankings will not be disclosed.
12. If additional information are required during the evaluation process, additional documents may be requested for verification purposes.
13. Applicant is responsible for any disadvantage resulting from error, omission or incorrect input of requested information. Please pay careful attention while completing the application form to avoid any issues. Once the application has been submitted, changes (including the application information or desired program of their choice) cannot be made.

Considerations

If applying to a department that is recruiting a specific major, you must specify your major when filling in the admissions application.

Religious Studies department applicants as a rule should be students who majored or minored in theology in undergraduate or graduate school. Students from other majors are required to have a preliminary consultation with the dean of the Religious Studies department before applying.

Psychology recruitment is limited to Counseling/Clinical Psychology, Cognitive Development Psychology and Social/Industrial Psychology.

The Gender Studies Cooperative Program gives advantages to those with experience in organizations related to women.

In the Interdepartmental Cooperation Program, Science Communication, Gender Studies and Southeast Asian Studies belong to Humanities and Social Sciences, and Integrated Biotechnology belongs to Engineering.
