5. Meet the new people!
6. It is affordable!
7. You save lots of \$ when you take college level Korean classes.
8. You have an opportunity to practice speaking with native Koreans.
9. Sing along and dance to K-pop.
10. It is a great investment of your time.

** Korean government sponsored study and work programs for Korean speaking Americans.*

Learning a Korean traditional bow

Enjoying traditional ink painting experience

Cultural Activities

Students will participate in many cultural activities throughout the semesters. Some activities include Kimchi making, traditional new year bowing, ink painting and calligraphy. Students will complete individual / group projects with the help of instructors and/or teaching assistants upon availability.

Making mini Kim-pop

K-pop dance

Language Courses

Using an integrated method, students practice speaking, listening, reading and writing skills, and learn useful Korean vocabulary and grammar patterns. Through projects and classroom activities, students learn practical speaking skills while learning about Korean culture.
