Choose the Homeland Education Program
for Overseas Koreans!!

Hosted by:  **교육부**
국립국제교육원

Promoted by:  **공주대학교**
KONGJU NATIONAL UNIVERSITY

The National Institute for International Education (NIIED) is a division of the Ministry of Education in Korea established for the exchange and cooperation of international education. This government agency plans the Homeland Education Program for Overseas Koreans and selects, manages and assesses the program participants.

Kongju National University has established and operated the Institution of Korean Culture & Education for the specialization of overseas Korean education as a professional secondary teacher training institution and operates and manages (class and student management) the Homeland Education Program for Overseas Koreans.

| What is 'Homeland Education Program for Overseas Koreans'?

'The Homeland Education Program for Overseas Koreans' is an educational program specially designed for overseas Koreans only. It is comprised of diverse special programs such as field trip, exchange with the locals and college students and club activities as well as Korean language lesson and Korean culture and history classes. As **the nation's only long-term education program for overseas Koreans**, it has annually accomplished 90% or higher in satisfaction through support on the formation of a global network for overseas Koreans and career guidance.

| Education for overseas Koreans in Korea?

Class 2016_ Lee Ji-hui (Japan)

"Among many other Korean language programs, I chose this because I was able to meet overseas Koreans from all over the world. Personally, having a time with these people with different thoughts and perspectives is a precious treasure to me."

Class 2016_ Yoon Veronica (Russia, Global Korea Scholarship)

"When I first came to Korea, I was very concerned and scared because my poor Korean. However, I studied Korean really hard and earned Global Korea Scholarship (GKS) thanks to the great teachers here. Now, I am studying in college in Korea."

Class 2016_ Kim Soon-ok (Japan)

"Personally, the Homeland Education Program for Overseas Koreans was like a journey to my own history. During this program period, I visited my relatives to find out my parents' hometown. I also visited my ancestor's grave. These experiences were like discovering my identity which has rooted deep inside me."

talents

Class 2016_ Lee Gi-yeon (The U.S., Harvard University)

"I believe that now there are things we that should take care of. Korean government has launched this program to nurture us into global talents. As ethnic Koreans, let's work hard and spread the excellence of Korea all over the world. When we return back to our country, we could be the ambassadors of Korea sharing Korean culture with others."
