

2022 KOREAN HOMELAND EDUCATION

Recruitment Information about 2022 Korean education program for overseas Koreans

An educational program for overseas Koreans hosted
by the National Institute for International Education
under the Ministry of Education

Choose Korean Homeland Education for
overseas Koreans (K-HED)!

KOREAN HOMELAND EDUCATION

National Institute for International Education (NIIED)

is a national agency under the Ministry of Education, established to educate overseas Koreans and promote international educational exchange and cooperation. It is responsible for planning, selecting, administering, and evaluating Korean Homeland Education.

Kongju National University

is a university that fosters secondary school teachers. The university established the Institution of Korean Culture & Education, specializing in the education of overseas Koreans. The Institution operates domestic education programs (education, student guidance)

? What is Korean Homeland Education for overseas Koreans?

'Korean Homeland Education (K-HED)' is an educational program for overseas Koreans made to cultivate the ethnic identity of overseas Koreans and help next-generation overseas Koreans grow into global talents. This program comprises the Korean language, Korean culture, Korean history classes, and field learning. K-HED is the only long-term educational program for overseas Koreans in the nation that provides career guidance and a network of overseas Koreans.

? We recommend 'K-HED' to the following people.

I want to attend a Korean university and learn Korean!

University preparation course (invitation)

- Operation of 'admission focus class' to enter a Korean university and 'Korean language focus class' to improve Korean language proficiency
- Operation of special programs, such as in-depth Korean language lectures and mentorship by Korean undergraduates
- Operation of special programs in connection with in-depth Korean language lectures and Korean language courses to improve Korean language proficiency
- Education period (5 months): (Spring) April ~ August 2022, (Fall) September 2022 ~ January 2023

I want to learn the Korean language, culture, and history!

Understanding Korea (invitation)

- Customized Korean language education to improve communication skills in everyday life
- Operation of lectures, experience programs, and special programs to understand Korean culture and history
- Education period (2 months): (Spring) May ~ June 2022, (Summer) July ~ August 2022, (Fall) September ~ October 2022, (Winter) December 2022 ~ January 2023

I want to learn the Korean language easily!

Online education course

- Operation of the Online education system (LMS) to study efficiently in everyday life
- Provision of online content, such as different levels of Korean language lectures and Korean culture experience
- Education period (4 weeks): (Spring) April 2022, (Summer) July 2022 (Fall) September 2022, (Winter) December 2022

Special Benefits

1. National Scholarships

Scholarship of National Institute for International Education

National scholarship for K-HED students

- Targets: Overseas Koreans who applied for the domestic education program for overseas Koreans and were recommended by a diplomatic office
- Selection criteria: Reviewed and selected by the 'Scholarship Committee' based on intent, the potential for development, family background, and descendant of an independent patriot
- Benefits: Full tuition fee for the program (one course) and 70% of the round-trip airfare
 - * Airfare not included for Japan, China, Far East Russia (Maritime Province, Sakhalin, etc.), and Southeast Asian countries
 - * Full tuition fee and airfare supported to descendants of an independent patriot
- Number of beneficiaries: About 200 persons per year

※ The number of scholarship recipients of each course can be adjusted according to the scholarship application and selection status.

※ National scholarship selection may be canceled if the recipient fails to complete the program or receives a disciplinary action by violating campus rules. In this case, the recipient must return the scholarship benefits.

Benefits for Students Completing Online Education

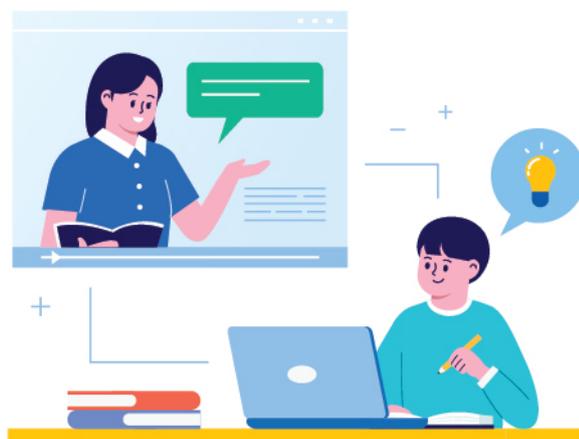

Benefits for those who completed Online education

1. A certificate of completion is issued to those who satisfy the criteria for completing our Online education.
2. If a student who completed Online education applies for invitation education of the K-HED program for overseas Koreans, the student has priority when selecting national scholarship recipients.

2. Supporting Entrance to a Korean University (Graduate School)

- We provide a career counseling service to students who want to enter a Korean university or graduate school.
- University entrance presentations and support on university (graduate school) entrance process: We help fill out application documents, write a letter of introduction, and prepare for interviews according to admission type (overseas Koreans/foreigners).
- We support basic major course studies (support on basic major courses necessary to study at a university: Math, sciences, etc.).
- Students can listen to general liberal arts lectures and participate in joint projects with mentors.
- We offer special lectures on career, major, and leadership.
- Students receive mentorship from senior students and take a tour around major university campuses in Korea.

※ 58 students were admitted to a Korean university (graduate school) from 2018 to 2021 (including multiple acceptances).

3. Operation of Cooperation Universities

Benefits for entering a cooperation university

Benefits are granted such as credit recognition, completion recognition of Korean courses, overseas Korean scholarship, etc., to students who enter cooperation universities after completing K-HED (Invitation Education).

Credit Recognition	Completion Recognition of Korean Courses	Overseas Korean Scholarship
Completion of Korean Language, Korean History, Korean Culture, etc. from Korean Homeland Education is recognized as a credit at cooperation universities	Completion of Korean Language classes from Korean Homeland Education is recognized as a credit for those students admitted via the Foreigner Students Exam	Supporting scholarship of Overseas Koreans for those students who completed the Korean Homeland Education

Cooperation for educational courses

Joint programs with affiliated universities for supporting university (graduate school) entrance and career path, including exchanges with cooperation universities' students, experiences at special departments, etc.

Exchange Activities with University Students	Major-related Depts. Experiencing	Campus Tour
<ul style="list-style-type: none"> • Visiting classes for basic liberal arts classes • Operation of joint convergence projects with mentoring students 	<ul style="list-style-type: none"> • Experiencing humanities and science & engineering departments 	<ul style="list-style-type: none"> • Admission explanations and campus tour • Special lectures on major, etc.

Affiliated universities
